Pres. Zapolski called upon Mayor for comments.

Mayor Kelly thanked members of Council who were able to attend the first neighborhood walk last evening. He believes it was a success that over thirty people attended including the prosecutor and Chief of Police and some of the high ranking officers

and many people were very receptive to seeing City officials and community leaders to come out to knock on the doors and share information and the tip 411 flier is what we need to highlight as everyone wanted that. It was the best way to approach it, so people could see that this is anonymous and can work. He believes this was a success so next month they will do the courthouse hill area, including Bridgeton Villas, Glen Park area so that the residence can see that Council members, Mayor, Police Department, and City Officials they do care and take their time and go out and knock doors to share the hope and he thanked Council who went out and distributed hats to Council members.

Pres. Zapolski called upon Council for remarks.

Councilman Thompson commented he is looking forward to the next neighborhood walk and encouraged everyone to be a part of it.

Councilman Surrency apologized for not being able to present at the walk due to accident his son and fiancé was in and solicited prayers for them.

Councilwoman Lugardo-Hemple echoed what the Mayor and Councilman Thompson said it is important that the Tip 411 fliers be distributed as the people asked for them a lot and glad she was able interpret for them and also being the end of the Little League for Mr. Hemple she will see him at home.

Councilman Spence congratulated the little league players and commented on last night as being very informative for both sides and the brochures on TIP 411 was really receptive by the people and appreciated everybody coming out.

Pres. Zapolski, commented he was very encouraged by the walk around that was done out in the neighborhood it was very enlightening to hear some of the comments from the people it was good thing and good start and he looks forward to the next one. He acknowledged Gladys for her bilingual skills. Thy were essential in the neighborhood we went into and he appreciates the fact that she was willing to continually and repeat many of the same things over and over again.

He also stated that he is very much encouraged and really appreciated the effort and the recognition that the soft ball coach gave to him. His daughter played for West Cumberland when the City of Bridgeton did not have a soft ball league and when he saw the opportunity he did not mind coming out of retirement to umpire the girl's soft ball league and thought that was fine and that was what he would like to do and he appreciates their recognition.

There being no other business to come before Council it was moved by Mr. Spence second by Mr. Thompson to adjourn the meeting which motion was carried.
